Document Number: D01805360

## TRAFFIC AND ROAD SAFETY BRANCH ACTIVITIES

**1 July 2011 to 30 September 2011**

### Local Traffic Committee Items

Item #	Delegation Date	Description	Recommendation
25/2011	05/07/2011	ROBERT ROAD CHERRYBROOK This report details the review of parking conditions in Robert Road near Oliver Way.	That parking restrictions near the driveway to Oliver Way in Robert Road not be provided at this stage and the road be monitored.
26/2011	12/07/2011	YARRARA ROAD PENNANT HILLS This report details the traffic implications of the proposed construction works at 106 Yarrara Road Pennant Hills.	That the proposed temporary pedestrian detour, 'No Stopping' zone and 'Stop' sign for the frontage of number 106 Yarrara Road be approved for installation as per plan.
27/2011	13/07/2011	EDGEWORTH DAVID AVENUE, HORNSBY This report details the traffic implications to safety improvements recommended by Council at the intersection of Edgeworth David Avenue and Balmoral Street Hornsby.	That 1. The tree on the north western corner be removed and the hedge trimmed back to Council's road boundary. Unanimous. 2. The RTA be requestd to investigate an extension of the 40 km/h 'School Zone' in Edgeworth David Avenue from near Palmerston Road to west of Balmoral Road. Unanimous. 3. The RTA be requested to provide 'It is illegal to queue across intersections' facility in Edgeworth David Avenue at Balmoral Road. Unanimous. 4. The full time 'No Right Turn' restriction proposal as shown on attached plans LTCCP24/2011 be provided. (Not supported by Councillor Mills, the Member for Hornsby and the Member for Ku-ring-gai). The RTA representative presented a report on the crash data, prompting Council on the types of crashes and injury rates at this location. the RTA raised concerns regarding the previous proposal, which only included 'No Right Turn' restrictions from Edgeworth David Ave during the PM peak (3PM-7PM, Mon-Fri), as it only addressed 64% of these right turn crashes. The RTA representative requested the minutes record that while the RTA does not object to these recommendations, they are concerned that the original proposal, involving a physical median that addrssed all right turn crashes, was not endorsed by Hornsby Council and Black Spot Funding was returned unspent. NOTE - Councillor Mills requested recommendation 4. be referred to Council for a decision. A report will be prepared for the Ordinary Meeting of Wednesday 20 July 2011.
28/2011	9/08/2011	EDGEWORTH DAVID AVENUE, HORNSBY This report details further investigations into traffic safety in Edgeworth David Ave, Hornsby	That Option 2 as detailed in this report be further developed and presented to the RTA for acceptance before inclusion in Council's nominations for the 2012/2013 Auslink Blackspot Programe.
29/2011	16/08/2011	SHEPHERDS DRIVE, CHERRYBROOK This report details the traffic implications for a shared path along Shepherds Drive between New Line Road and Shepherds Lane.	That 1. The proposed shared path along Shepherds Drive between New Line Road and Shepherds Lane be approved as per plan no: 796-27. 2. The existing two metre wide footpath on New Line Road leading between Shepherds Drive and Purchase Road shared path be signposted as a shared path to ensure connectivity for cyclists.

**ATTACHMENT 1 - ITEM 18**

30/2011	1/09/2011	<p>ARCADIA ROAD, GALSTON This report details the traffic implications and proposed temporary 'No Stopping' restrictions in Arcadia Road and Carrs Road associated with the 2011 Bushland Shire Festival to be held on Sunday 18 September 2011 and possible future major events in Fagan Park</p>	<p>That 1. The proposed temporary 'NO STOPPING' restrictions along both sides of Arcadia Road from its intersection with Gribbenmount Road to its intersection with Thomas Road, a distance of about 650 metres be approved. 2. That the proposed temporary 'NO STOPPING' restrictions along both sides of Carrs Road from the car park entrance, a distance of about 340 metres be approved.</p>
31/2011	7/09/2011	<p>MILDRED AVENUE, HORNSBY This report details the traffic implications and design for the proposed pedestrian refuge in Mildred Avenue at the intersection with Jersey Street North in Hornsby</p>	<p>That The proposed pedestrian refuge in Mildred Avenue at Jersey Street North in Hornsby and associated signs and linemarking (as per plan number 441-4) be approved for construction.</p>
