19 NOM2/12 Traffic Congestion and Queuing at Cherrybrook Village Shopping Centre

(F2004/09848-02)

RESOLVED ON THE MOTION OF COUNCILLOR MILLS, seconded by COUNCILLOR BROWNE,

THAT Council:

1. Note that:
 - a) Traffic congestion and queuing at the entrance to Cherrybrook Village car park regularly spills out onto the Shepherds Drive/Kenburn Road roundabout, causing frustration and delay for local Cherrybrook residents.
 - b) Over the past four years, this traffic congestion has been the most complained about issue on local roads in Hornsby Shire.
 - c) Despite public statements from Cherrybrook Village management of plans to reduce congestion and queuing, local residents have seen no meaningful improvement to traffic conditions at the entrance to Cherrybrook Village.
 - d) In a July 2011 in-house publication, Cherrybrook Village made the following

GENERAL MANAGER

CHAIRMAN

comment in contravention of its DA which requires on-site parking for workers at Cherrybrook Village: *"Please be reminded there is to be no staff parking in the customer car park. Centre staff (other than your stores designated car space) are required to park offsite at Greenway Park where the local council has made all day parking available. Roof Top parking is not for centre staff."*

2. Send letters to appropriate contacts within the Mirvac Group, including the CEO, broadly outlining the issues within this Notice of Motion and accompanying discussion and calling for Mirvac to demonstrate its commitment to good corporate citizenry by:
 - a) Implementing, at least, a two-way traffic flow along the southern end of the car park boundary adjacent to Shepherds Drive with a view to Mirvac absorbing queuing on its own site rather than passing the queuing on to public roads.
 - b) Implementing shorter time limits for the most convenient and popular parking spaces to encourage greater turnover.
 - c) Better integrating pedestrian and cycle access into the centre from the surrounding neighbourhood.
