15 KANGAROO POINT CAR PARKING OPPORTUNITIES

I have recently received representations from residents, business owners and Councillors regarding existing and proposed future car parking arrangements at Kangaroo Point.

In light of the recent works to the park, the construction of an on-site restaurant and outstanding development applications for water based facilities adjacent to Kangaroo Point, I believe that it is timely for Councillors to receive a briefing from staff regarding the existing master plan, proposed future works and plans for car parking on site.

I ask Councillors for their support in requesting the General Manager to provide this briefing at officers' earliest opportunity.

RECOMMENDATION

THAT Council be briefed on the status of the existing master plan, construction works and car parking arrangements at Kangaroo Point.

STEVE RUSSELL

Mayor
