Additional information with NO CHANGE to Recommendation

The original attachment to Group Manager's Report EH13/18 did not adequately outline the proposed storage arrangements for Hornsby Connect due to an error when the document was formatted for publication.

The storage plan attached to this Late Items Memo replaces the original plan attached to the Report. No changes have been made to the content of the Plan or the proposal other than to provide greater clarity.

RECOMMENDATION

THAT:

1. Council endorse an approach which provides Hornsby Connect with access to the Hornsby Youth and Family Centre to ensure their operational efficiency, noting that impacted hirers at the Youth and Family Centre in 2018 have been accommodated elsewhere in Council's community centre network.
2. Council formally thank the community groups that have altered their hire arrangements at the Hornsby Youth and Family Centre in 2018 in order to facilitate Hornsby Connect's service delivery to the community.
3. Hornsby Connect be offered the licensed use of Hornsby Youth and Family Centre on the terms outlined in Attachment 1 to Group Manager's Report No. EH13/18.
